

ADITI JYOTI PRAKASH BEHERA

aditi.behera@outlook.com | +1 (814) 699 3926 | State College, PA (Open to relocate) | [LinkedIn](#)

Business Analytics graduate with hands-on experience taking enterprise clients from requirements through UAT and go-live, redesigning procure-to-pay workflows, and building Power BI reporting on vendor and spend data.

EDUCATION

Pennsylvania State University, Smeal College of Business

August 2026

Master of Business Analytics | GPA: 3.76/4.00 | Graduate Certificate - Management Consulting

Coursework: Data Mining, Supply Chain Analytics, BI & Visualization, Statistical Modeling, Operations Management

Awards: Hagan International Scholar - \$25,000 merit scholarship | Engagement Excellence Award | \$2,000 Student Leadership

Board Scholarship | MBAN Student Leader 2025–2026

ITM Skills University, ITM Business School

June 2025

MBA - Business Analytics | GPA: 3.2/4.00

Sandip University

June 2023

B.Tech, Computer Science & Engineering | GPA: 3.41/4.00

EXPERIENCE

Expensing - Business Analyst & Product Executive

Mumbai | Feb–Jul 2025

- Drove 15+ concurrent enterprise implementations across 6 countries to on-time go-live with 20% fewer scope changes by writing BRDs, FRDs, and user stories, running UAT, and leading Agile/Scrum ceremonies in Jira.
- Streamlined a 7-layer procure-to-pay approval workflow, cutting AP cycle time 14.6% (avg processing hours per transaction), by root-causing a 10-item batch bottleneck and partnering with IT on a fix within days.
- Automated exception-flagging in the three-way match (PO, receipt, invoice) process, cutting manual reconciliation effort 35% in weekly hours saved and generating an estimated \$250K in annual savings.
- Designed Excel and Power BI dashboards adopted in daily CEO meetings, tracking vendor approval times, spend concentration, and dependency ratios across 50+ accounts in 6 countries; surfaced ~\$500K in risk exposure.
- Built ROI-focused business cases and presented them to C-suite procurement leaders across APAC in 50+ competitive RFPs, helping win \$1M+ in new contract revenue.

The Bull Traders LLC, Marketti.io - Project Manager Intern

Remote | Apr–Oct 2024

- Improved project delivery efficiency by 15%, measured by milestone completion rate across 3 concurrent clients, by tracking requirements and deliverables for an 8-member cross-functional team in Jira and Asana.
- Drove a 10% lift in client sales, measured by revenue change post-recommendation, by analyzing 10,000+ customer data points and building 12-KPI dashboards that turned insights into pricing and targeting recommendations.

ENTREPRENEURSHIP

Sweet Bites - Founder

Nashik | Apr 2020 – Jul 2025

- Ran a retail bakery for 5 years, owning customer relationships and procurement across 20+ supplier accounts and 500+ SKUs, and building Excel demand-forecasting models that achieved 95% accuracy.
- Cut operating costs 15%, measured by supplier cost benchmarking, through data-driven vendor negotiations and SKU consolidation.

PROJECTS

-
- Chicago Bike Share (SQL + Tableau): Identified 12 operational inefficiencies across 600+ stations by querying 500K+ records in SQL and visualizing demand and rebalancing gaps in Tableau.
 - Bank Risk Analytics (Python): Classified 3 high-risk institutions across a 20+ institution dataset by engineering features from financial statements and building a validated logistic regression model.

SKILLS

Business Analysis: Requirements gathering, BRD/FRD, user stories, UAT, process mapping, gap analysis, client onboarding, Agile/Scrum, stakeholder management

Supply Chain & Procurement: Procure-to-pay, three-way matching, vendor management, spend analysis, Excel demand forecasting, SKU management

Analytics & Tools: SQL, Python, Power BI (DAX), Tableau, Excel (VBA, Pivot Tables), SAP, Oracle ERP, Jira, Asana, Claude, ChatGPT, Copilot

LEADERSHIP & SERVICE

-
- Teaching Assistant, Penn State Smeal (Jan–May 2026): Supported 60+ students across Risk Management 301/320W and Strategic Management BA571; led weekly discussions and graded 200+ assignments.
 - MBAN Student Leader (2025–2026): Represented 60+ student cohort in faculty meetings, admissions events, and peer mentorship.
 - Dorai Foundation Intern (Dec 2023 – Jan 2024): Increased community event participation by 40%, measured by attendance, by coordinating 5+ events for 100+ participants.
